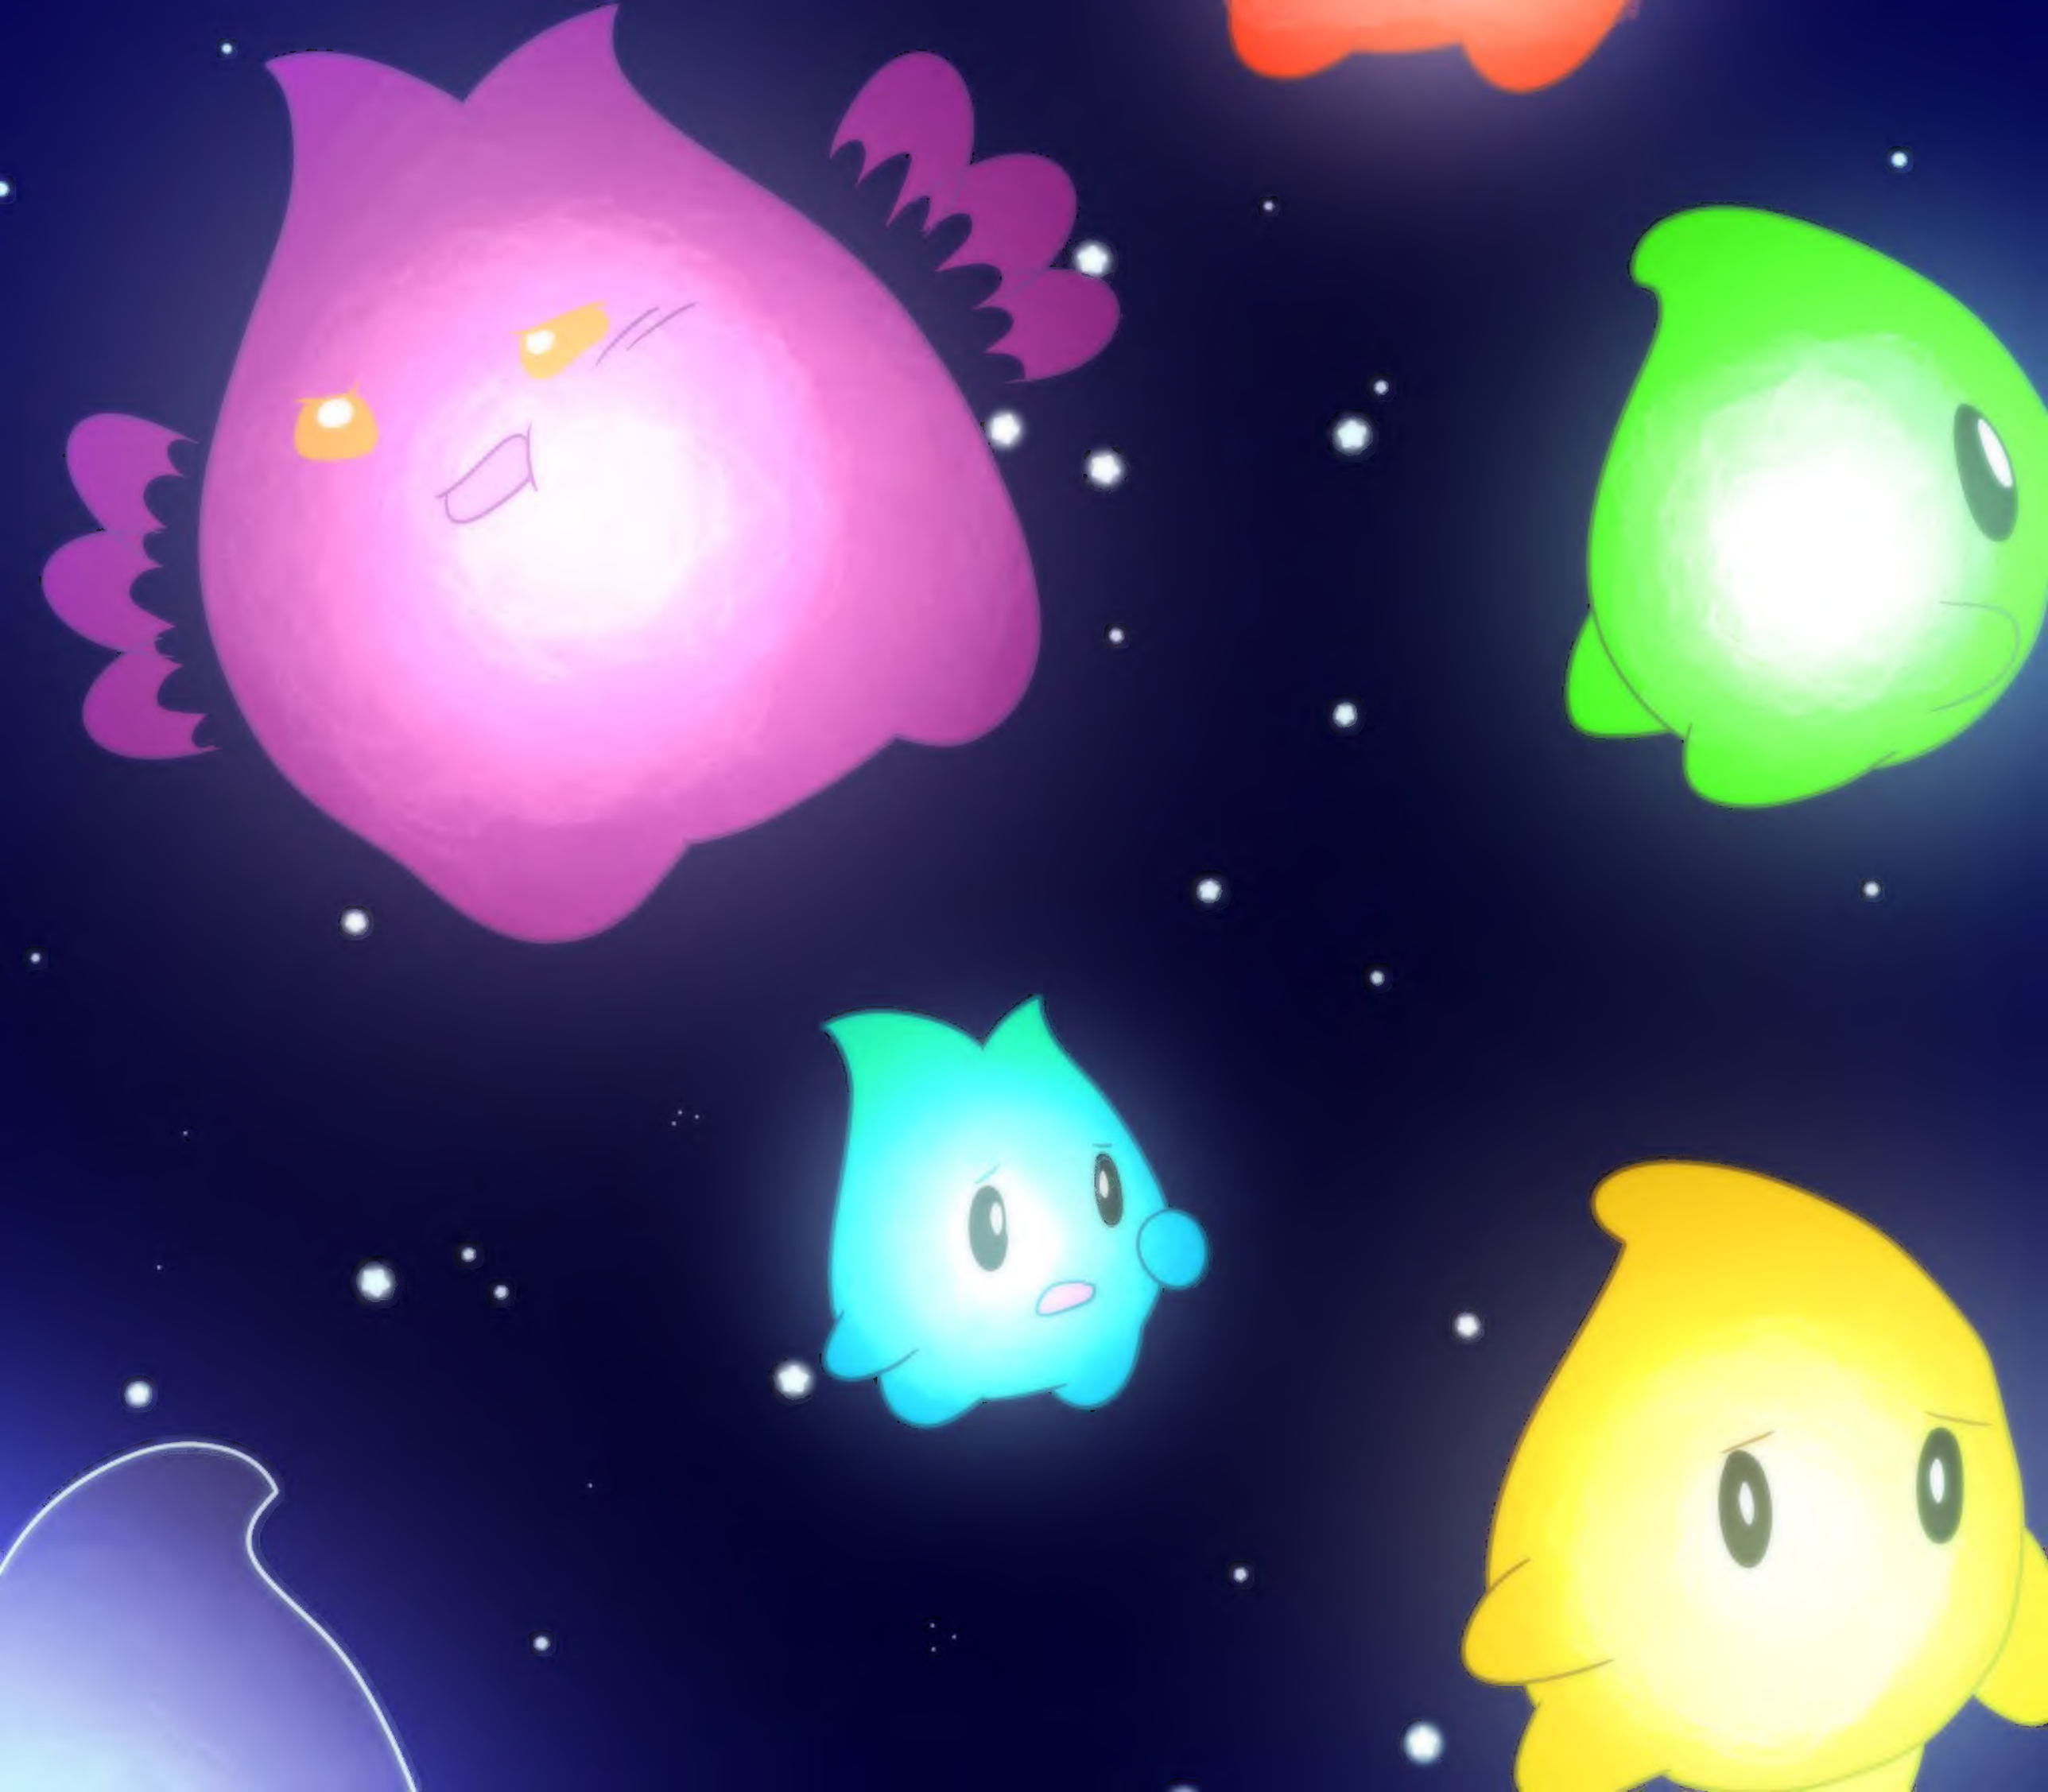
LUIGI: Hey...HEY LUMALEE? What's wrong?!



Okay, I know that look better than anyone. You’re immobilized by fear. You’re going in the hat.

distant talking

TOAD: Shoot! Koopas are coming back!

But we haven’t seen a single Koopa until now! Why are they suddenly appearing?

I saw the whole army chasing Mario and the Princess on their own lava powered karts. And most are at the front of the fortress since they took The Princess for the wedding!

Cazzo...

TOAD: If you wanted to leave safely, the only way I see how is either leaving from the front, or flying...
